Recognizing the potential for injury associated with participating in the athletic activities and/or the sudden illness at an event, and in consideration for Mount Joy Athletic Association (MJAA), the accepting registrant for the above athletic activity, I hereby release, discharge and/or other indemnify the MJAA, it's affiliated organizations and sponsors, their employees and associated personnel, including the owners of the field and facilities utilized for the programs against any claim by or on behalf of the registrant as a result of the registrant's participations in the programs and/or transported to or from the same, which transportation I hereby authorize.

I certify that my child is physically fit and not under the direction of a physician or medical profession that prohibits or limits his activity or ability to participate in the above activity. I hereby give my consent to have an athletic trainer, emergency personnel and/or doctor of medicine or dentistry provide my child with medical assistance and treatment and agree to be responsible for the cost of such assistance and/or treatment. **I give my consent that my child may be photographed for possible use of the MJAA website or local newspapers. ****NO REFUNDS*****

Each child will be covered with their own medical insurance according to the terms of our policy.

PARENT/GUARDIAN REQUIREMENTS

In addition to the above, the new parent requirements for the 2022 season include participation in our mandatory sub sale and completing a least 5 shifts in the Kunkle concession stand per child registered starting in April of 2022 through July 31, 2022. If you complete the 5 shifts in the concession stand per child registered, you will receive \$50 back from your registration fee of \$115. The nights picked per team to work in the concession stand will be a night the team is not playing at Kunkle. If the date of the shift you are working happens to have a rain date, it is understood you are still to complete the new nights shift or schedule a new one that is convenient for you. However, every parent should anticipate helping in the concession stand during their child's designated tournament weekend at Kunkle Field (this weekend availability will NOT be part of the 5 shift requirement above). The concession stand is MJAA's biggest fundraiser for our organization. With the help of parents, we can make this an amazing season for our players.
