Recognizing the potential for injury associated with participating in the athletic activities and/or the sudden illness at an event, and in consideration for Mount Joy Athletic Association (MJAA), the accepting registrant for the above athletic activity, I hereby release, discharge and/or other indemnify the MJAA, it's affiliated organizations and sponsors, their employees and associated personnel, including the owners of the field and facilities utilized for the programs against any claim by or on behalf of the registrant as a result of the registrant's participations in the programs and/or transported to or from the same, which transportation I hereby authorize.

I certify that my child is physically fit and not under the direction of a physician or medical profession that prohibits or limits his activity or ability to participate in the above activity. I hereby give my consent to have an athletic trainer, emergency personnel and/or doctor of medicine or dentistry provide my child with medical assistance and treatment and agree to be responsible for the cost of such assistance and/or treatment.

PARENT/GUARDIAN REQUIREMENTS:

In addition to the above, the parent requirements for the 2024 season include participation in our **mandatory sub sale** and **Kunkle Field concession stand shifts** from April 2024 through July 31, 2024. Each 2-hour shift completed will qualify for a \$10 rebate to be distributed monthly. The maximum number of shifts eligible for the rebate program is 10 shifts per family. The dates picked for each team to volunteer in the concession stand will be a night the team does not have a game. If the date of the shift you are volunteering for happens to have a rain date, it is understood you still need to complete the new nights shift. **If you are unable to make your shift for any reason, you are responsible for finding a replacement prior to the start of your shift.** Every parent should anticipate helping in the concession stand during their child's designated tournament weekend at Kunkle Field. This weekend availability will NOT be part of the rebate shift program above. The concession stand is MJAA's largest source of income for our organization. Mount Joy Athletic Association has been in operation providing baseball fundamentals for girls and boys since 1969 and cannot continue without you!

I give my consent that my child may be photographed for possible use of the MJAA website, social media or local newspapers.
